

STELLA TABLE DAZE MANUAL

MANUAL OUTDOOR GAS FIREPLACE

Gas Technology

2in1 FIRE TABLE FOR UNIQUE OUTDOOR DESIGNS

Introducing a revolutionary concept in outdoor living, the gas fire-pit integrated into a table, combining functional design with aesthetic appeal. It allows guests to enjoy the enchanting glow and comforting warmth of the fire-pit while gathered around the same table, perfect for any backyard or patio setting.

LPG GAS TECHNOLOGY

An LPG gas fireplace for outdoor patios offers instant warmth and ambiance with easy ignition, eliminating the need for wood and eliminating smoke and ash. It's an environmentally friendly, aesthetically pleasing addition that enhances the comfort and style of any outdoor living space.

SINTERED CERAMIC TABLETOP

The top of Stella Table is made of the highly-renowned Dekton surface by Cosentino – ultra-compact material made from sintered ceramics, quartz and glass. Its high-performance offers scratch and stain resistance and is known to withstand high temperatures. It has an elegant matte look of Daze marble, making it an eye-catching decoration in any space.

EASY CONTROL

An LPG fireplace offers effortless operation; ignite with a button push and adjust the flame height with a knob turn, providing a hassle-free and customizable fire experience.

Stella Table Daze Manual
